Kate:

Do you have any records for the subject address? We have received a citizen complaint from Mr. **Ex. 6 Personal Privacy (PP)** **Ex. 6 Personal Privacy (PP)** that his next door neighbor is operating an LCC, with the main house and an o'hana unit sharing the same cesspool.....see attached google-earth images. Mr. **Ex. 6 Personal Privacy (PP)** reported that DOH recently conducted an inspection of the subject property and confirmed the LCC. According to CCH records, Mr. Richard Kozuma owns the subject property (TMK: 1-4-6-001-022).

If you do not have records indicating that R9 has contacted Mr. Kozuma could you please check with DOH to see about any records they may have for the property, including any recent inspection notices/reports. If R9 has no history with the property, it would likely be best to have WTR Div initiate correspondence with Mr. Kozuma regarding a possible LCC at the property. Let me know if you have questions. Thanks, Aaron
